1 Discuss

Comment on this paper. See the course guidelines for submitting comments for some suggested questions.

2 Initial Trust Allocations

This paper does not discuss initial trust allocations. Can you propose some ideas of how to establish an initial trust allocation between long-time members of an online community? How about new members of an online community? What about with people you have just met in real-life?

3 Trust == Money?

Comment on the similarities and differences between trust, as presented in the paper, and money.
