Fair Allocation of Indivisible Goods
Wednesday, November 9th

1 Discuss

Comment on this paper. See the course guidelines for submitting comments for some suggested questions.

2 Assumption

What’s the difference between settings in previous cake-cutting literature and this paper? Can you think of any application of distributed negotiation in real life?

3 LUPF vs. GUPF

What’s the difference between locally uniform payment function (LUPF) and globally uniform payment function (GUPF)? Which one is more reasonable to you? Why?
