1 Discuss
Comment on this paper. See the course guidelines for submitting comments for some suggested questions.

2 Simultaneous vs. Sequential Voting
Give some examples where voters vote simultaneously and some where voters vote sequentially. Which one do you think is more common? Can you think of other voting situations?

3 Interesting paradoxes, or not?
Do you feel the paradoxes shown in the paper are interesting? Why are they called paradoxes?

4 Who has more voting power?
Who has more control over the winner? Early voters, later voters, or those in the middle?
